

Year Two homework

31st January

This week your child is learning these common exception words:

Please practise reading each spelling pattern. Look for the sounds when you are sharing books and your child is reading to you. Practise writing the spelling pattern and thinking of words you would find them in.

This week your child is learning the spellings:

are	your	would	only	class
our	could	should	most	grass

Please practise reading each word. Once your child can read each word practise spelling them. This can be done by *Say, Look, cover, write, check*. Sticking the words up where they can be seen each day. Writing them in different colours. Looking for them in reading and sharing books.

Please bring homework books into school every Tuesday and sign them to show you have completed the homework. I will be sending out new homework each Thursday. If you have any questions, please come and see me.

Thanks Kate Lax Mei Foggett
