

Oak Class Spellings 2018/2019

This is an outline of the spellings over the coming year (subject to change). There is generally a link or a pattern. Children may be moved within groups, sometimes working in a different spelling group to their literacy group. Spelling Bees's (and sometimes whole class) spellings will be a mixture of the spelling pattern and words noted from their work that they are misspelling. **Plus there will be spellings from the year 5 and 6 spelling list that are in the new curriculum and may not fit in with spelling patters – these are in red.** In blue are optional words for children to learn if they already know the words in their main list.
