

Year One Homework

14th February 2019

The children have been taught all of the Reception and Year 1 phonemes/digraphs. They now need to learn and use these to help them confidently read and write words.

Spelling – When spelling a word, encourage your child to write the correct phonemes/digraphs that they can hear in the word.

Reading – Put the phonemes/digraphs together to make real and nonsense words for your child to read.

I've highlighted the phonemes your child is still unsure of.

a	b	c	d	e	f	g	h	i	j
k	l	m	n	o	p	r	s	t	u
v	w	x	y	z					
qu	ng	sh	ch	th	ay	ee	igh	ow	oo
ar	or	er	oy	ou	air				ck
ai	a-e	ea	e-e	ie	i-e	oa	o-e	ew	u-e
ur	ir	au	aw	ou	ow	oi	are		

Maths – Measuring length

We have been using the vocabulary associated with length (taller, longer, shorter) and comparing the lengths of things.

We have been finding things that are taller/shorter than a metre, and have been using a ruler to measure in centimetres.

Please try to find time to read some of your own books from home and, if possible, try to visit the library.

Please bring homework books into school every Tuesday and sign them to show you have completed the homework. We send out new homework each Thursday. If you have any questions, please come and talk to us.

Thanks Jackie Bush, Kate Lax and Mel Foggett
