CHILDREN'S ONLINE SAFETY NOTICE FROM THE POLICE

Parents - are your children playing Fortnite? What do you know about Fortnite?

The following link from the police will help you to understand what the game is all about –the benefits and the pitfalls! Did you know that the guidance recommends that it is not suitable for children under the age of 12 years old?

Do you know about Snapchat, Facebook and Instagram for primary school children? Press Ctrl and Click on the link below to find out about these, Fortnite and many other features of online use by your children. It is really helpful for those of us who are not computer savvy. (Yet!)
