

**REMINDER – NO PARKING ON SCHOOL HILL THURSDAYS**

## **The Role of a Sports Ambassador**

### **Our job**

As sports ambassadors, it is our job to encourage people in all schools to learn and play sports. We have to have a positive attitude when approaching and learning new sports. We set up and run events in different schools and have meetings with Mr. Gwynn and the sports ambassadors from other schools.

### **Meetings**

We have meetings in other schools and discuss what we can do to make sports more popular; this means running events and encouraging people to play, by always congratulating them and making it as fun as possible. We make sure everyone is enjoying what they're doing and everyone has a go at what they would like to.

### **In the future**

We are hoping to, in the future, run many sports events and have everyone participating. We want everyone to have a role in representing their school and feeling proud of what they have achieved in sports.
